

Personal Leadership

Emerge stronger as a professional and discover how to take charge of your life from a place of greater inner peace and fulfilment.

Do you want to be more in control of yourself, your work and your environment? To be stronger as a professional and do what makes you feel good? This training is designed to enhance your personal leadership skills and to teach you how to take charge of your own life. Awareness of your drivers, talents and values helps you make more informed choices. This enables you to make the best use of your own qualities in daily life and in your work situation. You achieve your goals from your own power, so you are less controlled by others, have more energy and can be who you want to be.

Study method

Intake

Prior to the training, you complete an intake form, answering a number of questions about your specific personal situation. These questions will help you clearly define your development goal.

Sessions

The sessions focus on interaction with the trainer and fellow participants. Using varied work formats, you gain knowledge and insight. There is plenty of room for input from your own practical situations and examples. The group process, assignments and personal feedback will give you extensive insight that may lead you to make different, more appropriate choices and act more effectively.

Experienced trainers

An experienced trainer guides the classroom sessions focusing on your learning needs. Your trainer is an expert, but above all, your personal coach.

Online learning environment

In addition to the interactive classroom days, you work in a rich online learning environment that supports you in the learning process and helps you prepare for the sessions effectively. After completing the training, you continue to have one year access to all online resources for further deepening and reference.

ICM certificate

The training concludes with a personal action plan. If you have completed the entire training, you are awarded the ICM certificate.

Locations & date

The training is given in 3 sessions from 9:30 a.m. to 5 p.m.

The training is provided in Amsterdam, Arnhem, Breda, Den Bosch, Den Haag, Eindhoven, Enschede, Groningen, Maastricht, Online Virtual Classroom, Rotterdam, Utrecht and Zwolle.
