Study method

Course

During the course the focus is placed on working on projects according to the PRINCE2 methodology. The course familiarizes you with this methodology through theory, exercises and group discussions. An entire project is simulated and tackled.

Experienced projectmanager

An experienced project manager with broad practical experience with the PRINCE2 methodology provides supervision and prepares you for the PRINCE2 Foundation examination, which is held in English.

Examination

You take this examination after the last day of the course. You can schedule your online examination at PeopleCert with a voucher code you will receive from ICM. ICM is renowned for having a very high pass rate for the PRINCE2 Foundation examination.

Online learning environment

Through the ICM online learning environment, you will receive everything you need to actively practice in your own practice. Here you will also find the unique ICM video series. The theory of PRINCE2 is summarized in powerful e-learnings. Ideal as a preparation and as a reference work.

Action learning

The meetings are focused on interaction with your teacher and fellow students. With varied teaching methods, you will gain knowledge and insights, practice skills and reflect on your own practice.

ICM-certificate

After completing the course, you will receive your ICM certificate.
