

Coaching Teams

3 Days

Also available in Virtual Classroom

A team can achieve a lot together, but the road to success can be a difficult one. There are many factors at play and the visible and invisible dynamic between team members plays an important role. Do you want to learn how to work together more effectively and how to influence team dynamics? Then this practice-oriented training is perfect for you! You will explore a range of interventions, instruments and techniques, linked to everyday practice. Discover how to manage a team so that the team and its individuals perform at their best. This valuable course will make you broadly deployable and of great added value to organisations.

Features

Study duration: 3 days

Investment: € 1.695

Number of locations: 9

Unique benefits

- The trainer is an experienced team coach
- Get to work on your own case directly and practically
- The course is adapted to the needs of participants

Result

- ✓ You are aware how team coaching differs from individual coaching
- ✓ You know your role and responsibilities as a team coach
- ✓ You are able to translate the client's request into a suitable process
- ✓ You can recognise and influence group dynamic patterns
- ✓ You are able to intervene at team level and individually
- ✓ You teach teams to develop shared ownership
- ✓ You coach every team in a natural and authentic way

Target audience

This course is suitable for any coach wanting to develop their team coaching skills and team effectiveness in organisations.

Study method

We choose a thorough approach to best help you achieve the next steps in your daily practice.

Intake | Before the course you will gain access to the interactive learning environment of ICM. Here you will fill in an online intake form in which you answer a number of questions to ascertain your personal learning goals. This way you are optimally prepared for the course.

Practice-oriented learning | During the meetings there is extra opportunity for practice-oriented learning and room for discussing your own coaching experiences.

Experienced instructor | A highly experienced team coach will guide you during the many active exercises.

Personal growth document | During this course you will use a personal growth document, in which you work on your personal learning goals and their relation to your real life situation.

ICM-certificate | After completing the course, you will receive your ICM certificate.

Program

- The essence of coaching teams
